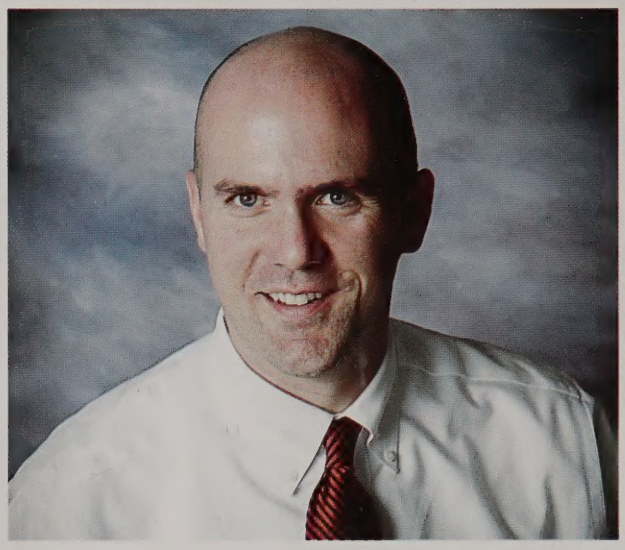
Brighton, MA 02135

Headmaster's Page



To the Class of 2008

Way to go'08! It is a pleasure to congratulate you as you prepare to graduate from our "castle on a hill" and begin the next phase of your life's journey. You have been an incredibly successful group and I am confident that your success will continue in college and in your careers.

It is particularly exciting for me to celebrate with the Class of 2008 this spring because you will be my first graduating class to have spent your entire four years at BHS with me as your headmaster. I entered Brighton High School four years ago together with most of you to start a new chapter in our lives. For you it was the start of high school, and for me it was taking on the leadership of one of Boston's oldest and most successful schools. I am proud of how we have worked together to make Brighton High School an even greater school over the past four years. I'll never forget this class, as you are a special group of people and we share a special bond!

As you leave our school and prepare to take your next steps in life, remember that your education is not yet complete. To be successful in our world, each of you will need to enter and complete post-secondary education of some kind. Your high school graduation should be just one step on the way to reaching your goals in life. Everyone at Brighton High school has seen you succeed and flourish here, and we know that you will continue to do so in college and beyond.

On behalf of the entire administration and faculty, I wish all of you satisfaction and success as you go forward in life as alumni of Brighton High School.

Sincerely,

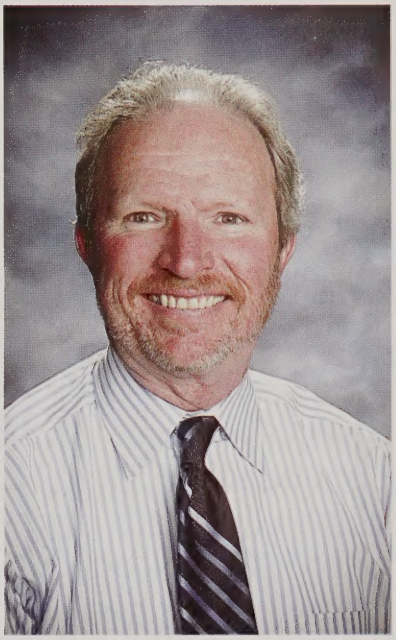
Toby N. Romer

Asst. Headmasters' page

Dear Class of 2008

I just can't believe that we are already close to graduation! We are talking of four years of hard work, lots of stress and lots of sweat, but here we are. Remember that you are not done yet. Continue towards your next goal, whether it's academic or vocational, it does not matter. The 21st century awaits you and you better be ready for it, because this century will not wait for you. You have to be ready, so my advice to you is : Be ready.

Migel A. Prieto
SLC B Leader



To The Class of 2008.
Throughout these often challenging years, you made us proud to call you Brighton's finest. You raised funds for the victims of Katrina, you sent packages to our troops in the Middle East, you entertained us with your theatrical performances, you made us proud of your achievements in the classroom, in the stands, and on the fields of play. You have witnessed the Patriots winning Super bowls, the Red Sox winning the World Championships and our own Bengal's footbal team going to the Super bowl in the course of your four years with us. Yet, through it all you have been able to maintain your focus, your drive, your youthful exuberance for what lies ahead.
As you prepare to leave Brighton High School with the memories you have provided us, keep in mind this notion. "Shoot for the moon for even if you miss, you will land amongst the stars." You have done well, but even greater things are expected. Go forth and make us proud, Class of 2008

Kevin Foley
SLC C Leader

Dear Members of the Graduating Class of 2008,
Congratulations to each of you! I have worked very close with members of the Class of 2008, and I applaud your achievements. It has been a pleasure to watch you grow and develop into young men and women who hve learned the value of setting goals and working hard to accomplish them. I urge you to continue your education. Although it will require sacrifice and hard work, it will be well worth it.
Strive to reach your full potential and become a positive influence in your community. Stay in touch with one another and come back to visit! We need you to help us guide future graduates!
Congratulations

Joyce Campbell
SLC A Leader

Dedication

Mary Gearty

The Class of 2008 is very proud to co-dedicate this year's yearbook to one of the most energy filled guidance counselors at Brighton High School, Ms. Mary Gearty, who has spent 20 years of her life working hard to provide EACH AND EVERY STUDENT--while remebering each and every name--with equal opportunity to better themselves through high school and beyond. Ms. Gearty loves what she does with a passion and it is more than obvious. She has beatifully recommended many students for various academic programs and opportunities to find colleges and apply for scholarships. Ms Gearty has aslo helped hundreds of students with making successful class schedules that benefit them. During these countless hours worth of hard work, Ms. Gearty has found it in her heart to always maintain a great relationship with her students; making sure that she is always an advocate.

Ms. Gearty says that the most rewarding parts of her career are "when the tedious college applications are over and the seniors graduate knowing they're going to the college of their dreams", and "when former students visit and speak of how well things are going in college". The one unfortunate thing about having Ms. Gearty at Brighton High, however, is that we are unable to take her with us on our journeys to success that would have been near impossible to achieve without her! So the Class of 2008 THANKS YOU "MS.G" being there for US during the past four years.

Dedication

Corinne Snyder

There are many dedicated teachers and staff who have devoted their time and energy to provide the Class of 2008 with a wonderful experience. This year we would like to recognize Ms Corinne Snyder who is not only a dedicated Health Professional and teacher of many years, but a dedicated Senior Class Advisor. One of the tedious titles at Brighton High is the Yearbook Advisor. Ms. Snyder has spent hours on end helping senior classes over past eight years with publication of their yearbooks. Her devotion to provide the best for the Class of 2008, as well as all of her students is worth praising.

Redirecting her career from a registered nurse,working in a hospital Ms. Snyder came to Brighton High where she turned her focus to teaching young people skills in the area of health and medicine. One of her aspirations comes from the happiness of students who return to Brighton High School when they have succeeded in their professions, or some of theor life's goals. "The feeling I get when I see the students return is incredible; because I believe that I've made a difference in their lives." Seeing the maturing of the students rekindles her commitment to teaching with excellence.

We are more than happy to know that we have a stable stability when it comes to the teachers and staff at Brighton High that pray for our success. There are no words to explain how the Class of 2008 appreciate you Ms. Corinne Snyder! THANK YOU, for all of your help and support!

Wars, walls, tumble and falls
Time, change, clouds and rain
Through it all, I will stand
Come what may, um hmm
Throw in the towel, not today
Cuz where there's a will
There's a way, whoa

I'm gonna hold
Hold on, hold on, hold on
I'm gonna hold
Hold on, hold on, hold on
Until the finish
I'll be strong

Oceans, strong winds, hills and mountains
Sacrifice, paying the price, yeah
Struggle all your life
Through it all, I will stand
Come what may, yes I will
Throw in the towel, no not today
Cuz where there's a will
There's a way, whoa

I see tomorrow will surely come
And I'm gonna be the first to see the sun
Throw in the towel, not today
Cuz I know that where there's a will
There's a way, whoa

I'm gonna hold
Hold on, hold on, hold on
I'm gonna hold
Hold on, hold on, hold on
Until the finish
I'll be strong

On the highway, and the bi-way
If I just hold on
I'mma make it there someday
Through the storm and through the rain
You can knock me down
But I'm gonna stand again
Yes I will
Running on this track, hey
If I keep my pace, hey
I can see the finish line
I'm gonna win this race
Hey, hold on, hold on

This Song is hereby dedicated to: The Brighton High School Senior Class of 2008!! As of: Jun 12,2008
